Basic Notes Re Visitation:

- 1) For all youth placed in residence at HHS – the MINIMUM VISITATION their families will be afforded will be no less than two opportunities per month for weekend on-campus visits AND on campus visiting during school recess periods. This complies with and exceeds the RI Children’s Bill of Rights and the DCYF Child Care Regulations for residential treatment centers.
- 2) Beyond that minimum, there is a standard visiting policy that applies across the Falcon, Dolphin and Mustang Units. Based on youth behavior, It allows for substitution of OFF CAMPUS VISITS to replace on-campus visits and ALSO FOR INCREASED VISITATION BEYOND TWICE PER MONTH AND RECESS PERIODS.
- 3) ON THE VISITING CALENDAR (above) – Whether the visit is to be on-campus or off-campus, the family is asked to plan the first visit in a month for the first weekend of the month – in each month in the calendar above, that is labeled the “Visiting Weekend”. The second visit and any additional earned visits are to be set up in advance by the family with the clinician.
